

The Balboa Buc

April

The Student-Run Publication of Balboa High School

Issue I

For over a year now, Balboa students have been away from the one thing none of us thought we'd miss: our school. This past year has been one that has affected us in many ways. This past year has been one of tragedy, stress, and loneliness.

But even though we're separated, it doesn't mean we need to be distanced. Balboa students have found ways to bridge this gap and connect in ways that we've never done before. Countless clubs have sprouted up, from non-profit clubs to music, careers, and beyond.

preparing for college during a lost school year by joanna c.

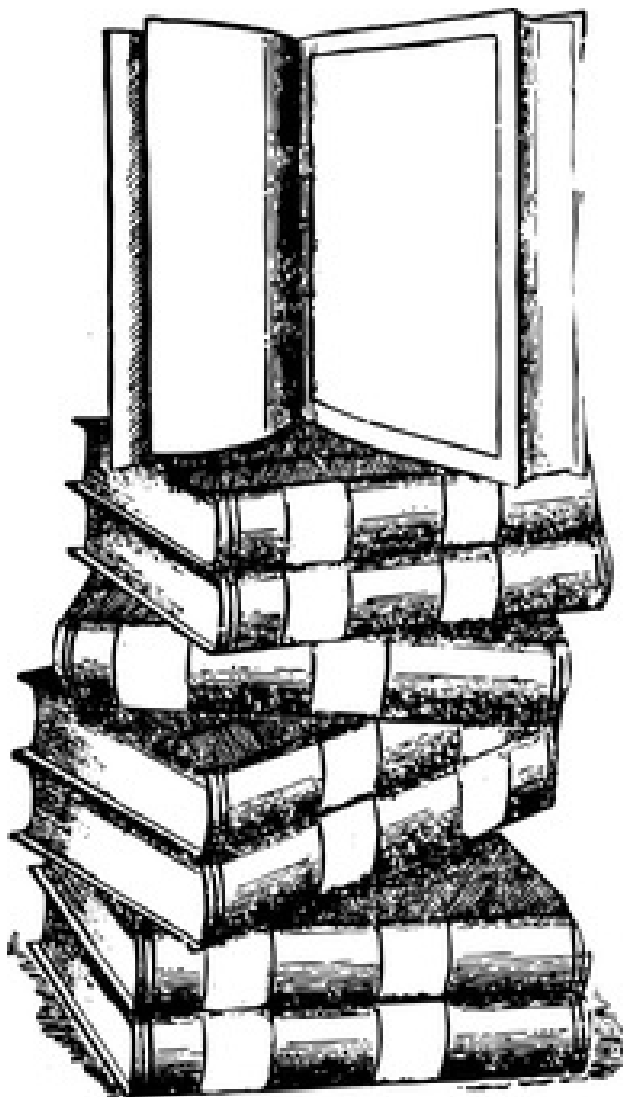

Some tips I have for preparing for college during a lost school year. [Read More](#)

activities and tips for surviving online school by natalie t.

It's hard to focus and it's easy to feel unproductive when staring at a screen all day especially when there's a pandemic going on. I'm going to be sharing with you a few activities and tips that I've been doing to relieve my stress, as well as how I disconnect from technology.

Students Need To Get Back To School | Opinion

By Elias M.

A year out of the classroom won't come at a small cost, making students return ever more vital. [Read More](#)

Why My Opinion on Renaming SFUSD Schools Changed | Opinion

By Luke M.

I had a firm belief that this school renaming was a very stupid and irresponsible idea. I have now changed my mind. [Read More](#)

COVID-19: Its Impact on Small Businesses

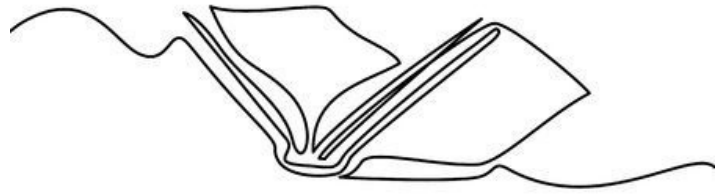

By Sarah R-F.

The pandemic has been painful and difficult for everybody. Many of the people who were profoundly impacted by the pandemic were small business owners. [Read More](#)

The Importance of Small Businesses

By Maddie J.

Small Businesses are crucial to the way we shop, work, and view our local communities as well as our country's market as a whole. [Read More](#)

recommendation:

They Called Us Enemy

By George Takei

This is a moving and engrossing graphic novel about George Takei (Sulu on the original Star Trek) and how he and his family were put in a concentration camp when he was four years old. The United States and Japan were at war and the American government wanted to ensure that Americans of Japanese descent would not cause problems for them so more than 100,000 Japanese Americans were forced to leave their homes and put into the camps. Takei in the end makes connections to what the recent government has done to people on the Southern Border.

~ Ms. Jeung, Balboa Librarian
